# 1.0 Explanation of Terms

## Kidnapping

- ▶ Kenya's Penal Code– any person who conveys any person beyond the limits of Kenya without the consent of that person, or of some person legally authorized to consent on behalf of that person is said to **kidnap** that person from Kenya.

# Explanation Cont'

- ▶ Any person who takes or entices any minor under 14 years of age if a male, or under 16 years of age if a female, or any person of unsound mind, out of the keeping of a lawful guardian of the minor or person of unsound mind, without the consent of the guardian, is said to kidnap the minor or person.
  - Conviction–guilty of felony and 7years imprisonment.

# Explanation of terms Cont'

## Abduction

- ▶ Kenya's Penal Code– any person who by force compels, or by any deceitful means induces, any person to go from any place is said to **abduct** that person from lawful guardianship.
- ▶ Conviction – guilty of misdemeanor, liable to **1 year imprisonment or Ksh.14,000 fine.**

# Explanation Cont'

# 5.0 Conclusions

- ▶ 1. Cases of kidnappings are increasingly being witnessed in many parts of Kenya.
  - ▶ 2. Socio-cultural (including religious and moral), economic and political motives/factors behind kidnappings.
  - ▶ 3. Kidnapping exposes victims to serious negative treatments and conditions.
  - ▶ 4. Varied modes of executing kidnappings.
  - ▶ 5. The community played both contributory role in increased cases of kidnapping & addressing kidnappings in Kenya.
- 

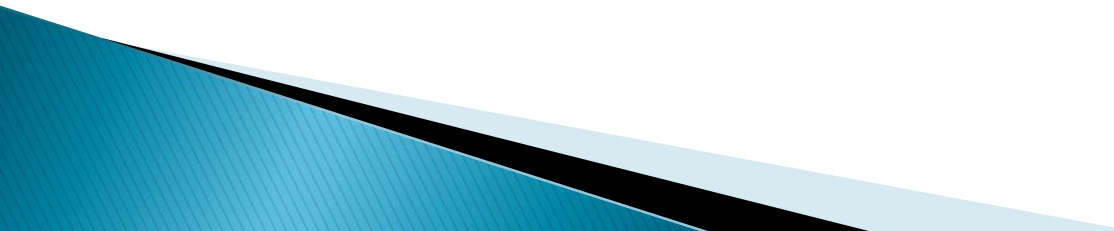

# Conclusions Cont'

- ▶ 6. The existing interventions are largely ineffective in addressing kidnappings.
  - ▶ 7. There are best practices which could be adopted or enhanced for a successful war against kidnappings.
  - ▶ 8. There are challenges faced in preventing and combating kidnappings in Kenya that need redress.
- 

## 6.0 Key Policy Recommendations

- ▶ 1. Increase opportunities for job creation and other meaningful economic activities for youths' engagement in particular and the general public good.
  - ▶ 2. National Police Service & other stakeholders improve intelligence gathering, sharing, detection & investigative capacities.
  - ▶ 3. Map out criminal gangs and militia-prone rural, urban and trans-border areas and deploy security appropriately.
  - ▶ 4. Strengthen Child Protection Units in National Police Service – focus on detection & prevention of kidnap against vulnerable children.
  - ▶ 5. Improve terms and conditions of service of security personnel to motivate them.
- 

# Recommendations Cont'

- ▶ 6. Continuously train of all public security agents on crime intelligence and the modus operandi of modern organized criminal gangs.
  - ▶ 7. Equip security agencies with modern equipment & technology such as modern firearms, armored vehicles, use of Geographical Positioning System (GPS) and forensic laboratories in crime management, explosives detectors and closed circuit television (CCTV).
  - ▶ 8. Vet public security officers by relevant agencies e.g Public Service Commission, EACC, National Intelligence Service & the National Police Service Commission.
- 

# Recommendations Cont'

- ▶ 9. Create a database of ex-public and private security officers and monitor their activities after exiting service.
- ▶ 10. Undertake targeted community awareness creation and sensitization through public forums and media platforms such as the radio, television and newspapers on the various aspects of the crime of kidnapping.
- ▶ 11. Targeted awareness creation and sensitization specifically for vulnerable groups: children, women, members of wealthy families, businesspersons, government officers and tourists on security precautions.
- ▶ 12. Ensure 100% compliance on registration of all mobile phone SIM cards to facilitate ease of detection, apprehension and prosecution of kidnappers and accomplices.

# Recommendations Cont'

- ▶ 13. Improve community–police relations in information sharing (Nyumba Kumi).
  - ▶ 14. Directorate of Public Prosecutions (ODPP) ensure water–tight prosecution & conviction of kidnapping cases.
  - ▶ 15. Provide witness protection to whistle blowers, witnesses, & informants in kidnapping cases.
  - ▶ 16. Address the proliferation of illegal small arms and light weapons (SALWs) used in kidnappings & other violent crimes.
- 

# The End
