Summary Report

Abdullahi Ngui successfully passed the AWS Certified Cloud Practitioner exam on January 17, 2025, with a score of 857, surpassing the required passing score of 700. The exam covers four domains: Cloud Concepts (24%), Security and Compliance (30%), Cloud Technology and Services (34%), and Billing, Pricing, and Support (12%). The results indicate areas of strength and those needing improvement, though the overall pass/fail decision is based on the total exam score. Abdullahi is now AWS Certified and can access benefits like digital badges and exam discount vouchers through his AWS Certification Account. He is reminded to adhere to the Candidate Code of Conduct and keep exam contents secure.
